

Lift'n Buddy Pail Lifter for 5-Gallon Pails Powered Lift Capability... 2-Wheel Truck Simplicity

The Lift'n Buddy Pail Lifter is a powered elevating two-wheel hand truck for transporting, lifting, and positioning 5-gallon plastic paint pails.

The Pail Lifter features a unique lifting yoke that slides under the pail collar to securely support pails during transport and lifting. Pails can be raised to an under-clearance height of 35" allowing them to be stacked on top of one another, placed on counters, in tinters and shakers, on pallets and even into vans and trucks.

Lifting power is supplied by two maintenance-free rechargeable batteries with an included 110V charger.

Key Features

- Operates in narrow aisles - congested areas
- Lift controls are mounted to handle for easy access
- Picks pails from floor or pallets
- Pail retainer clips hold pails steady during transport
- Moves easily on any surface, indoors or out
- Portable / lightweight - fits easily into vans or trucks
- Unit is free-standing, even when loaded and raised

Pail retainer keeps loads secure.

Optional platform for loose cans or other case packed goods.

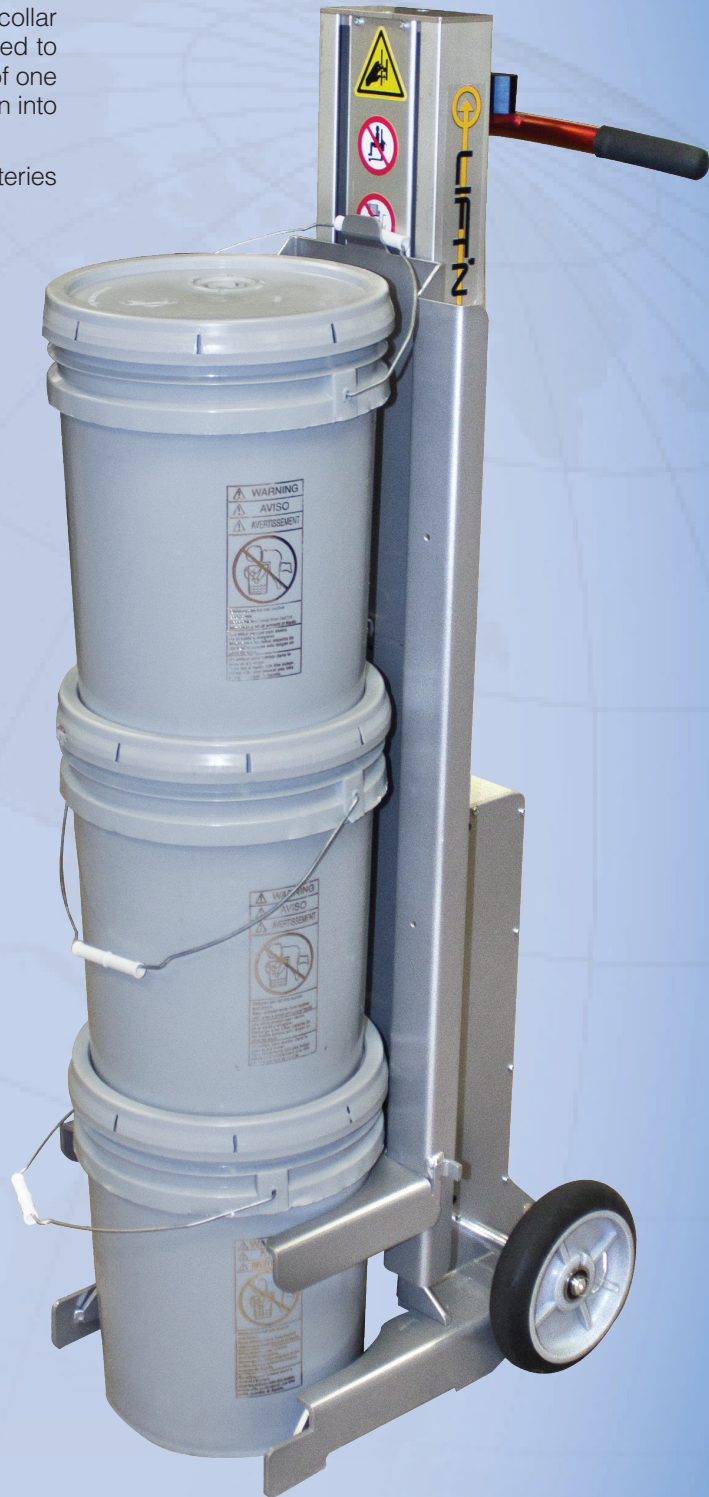

Lifting yoke holds pails in place.

200 lb. lifting capacity safely handles 3 pails at a time.

Pail Lifter Improves Worker Productivity and Safety

The Lift'n Buddy Pail Lifter is an invaluable tool for store employees who deal with heavy (about 60 lbs.) 5-gallon pails of paint. Its 200 pound lifting capacity easily handles up to three 5-gallon paint pails at a time.

Use it for a wide range of jobs:

- Picking pails from pallets
- Creating multi-pail stacks
- Setting up displays
- Placing pails on counters or in tinters and shakers
- Transporting and lifting case goods (optional shelf attachment)

Pail Lifter Improves the Customer Experience

Pail Lifter is a great way to deliver memorable customer service too. Use it to deliver goods right to the customer's vehicle and then load the items for them.
